

## eQ eXcursions 2025

Welcome to eQuality's inaugural kick-off of our new MN day tripping club, eQ eXcursions! Starting this year eQuality is offering our Associates the opportunity to sign-up for a day (or evening) out experiencing the Twin Cities. The sign-up for the 2025 day trips is first come, first served. Only eQuality Associates are able to participate. We will begin taking reservations for all of the following eXcursions starting at **7am on Tuesday, February 11, 2025**. Reservations cannot be taken until this date. To sign up for an eXcursion, please call or email Carlie LaBree no earlier than 7am on 2/11/2025. If there is interest in more than one eXcursion, please rank your choices. Also, if an Associate would like to attend more than one activity, please be sure to clarify this, but also specify which activity is most desired by the Associate. Reservations will need to be approved by guardians, if applicable, before they are able to be confirmed. In addition, a 'waiting list' of Associates will be compiled in case someone backs out or is unable to confirm by the deadline. Please note, if an activity is not filled, it may not take place. Once you have confirmed your spot for an eXcursion, you will receive a registration packet with further details.
